## NEW OASIS HOMESTAY 360

Partner School: The Oakwood School

### WHAT DOES IT MEAN TO HOST AN INTERNATIONAL STUDENT?

#### What are the benefits of hosting?

- Mentor and assist a student in their studies and personal development
- Embrace new customs and traditions
- Create once-in-a-lifetime memories

#### What kind of support does New Oasis provide?

Orientation at the beginning of the year, student transition support, and monthly check-ins are all provided.

#### What is required to host a student?

Host families provide students with three nutritious meals a day, a private furnished bedroom, and wireless internet, and they have the desire to welcome an international student into their family. Families live within close proximity to a New Oasis partner school. All families are screened before being matched with a student.

### HOST FAMILY REFERRAL PROGRAM

New Oasis values recommendations to our program. As a thank you, all successful referrals\* will be given a special gift valued at \$100. **Know a family that is interested in hosting?** Have them visit the link below to get more information and to let us know that you referred them to us. <http://newoasisedu.com/homestay360>

\*Successful referrals are families that pass the host family application process and are placed with a New Oasis student.

### WE BELIEVE GLOBAL CAN BE LOCAL

New Oasis Homestay 360 is innovating the way people understand the homestay experience.

“Hosting our student has been one of the most incredible experiences that our family has shared – it has broadened our understanding of personal relationships through patience, compassion, and acceptance – inviting someone to live in our home for an extended period of time and live as a member of our family.”
